**RCR Recording Studio Ministry**

*Ayur Vanzhilov:* 2021 ended with a celebratory worship service in Moscow in honor of the 75th anniversary of RCR’s ministry (in Moscow Central Church), where we told people about the history of our ministry, about the life of Earl Poysti, and how RCR serves and ministers to people today.

Our new employees, Vladimir Gorlan and Nikita Vorotilov, have already recorded 5 videos with interviews of people on the streets of Moscow. They have talked with 60 strangers and presented each of them with New Testaments. The finished videos are also a good example of how to tell unbelievers about God through questions! Pray for Vladimir and Nikita, and for their health, as they spend the whole day on the cold street. Not many passers-by agree to be interviewed. Pray for those passers-by who hear the Word of God and for their repentance.

In the studio, we continue to work on various programs, but we’ve had some difficulties. This month, the third hard drive in the last 2 years crashed, resulting in the loss of important data we recorded for the “Choice” program, and delays in preparing new videos. Therefore, our need for purchasing new HDDs and SSDs is growing.

**Pirkko Home Liberation Center Ministry**

*Dmitry Gusev:* This summer, one of our Pirkko Home assistant leaders, Vladislav Fadeyev, was transferred from Zheleznogorsk to serve as the new leader of the Orel Pirkko Home. In his place, the Lord sent us a new assistant and potential leader, Alexander Avdeyev (pictured).

Every Saturday, the residents, graduates and leaders of the Zheleznogorsk center are divided into three teams for evangelism: 1) a team for feeding the homeless; 2) a team for distributing the Gospel and talking with people; and 3) the free bread distribution team (fresh baked bread and Bibles). ➡

Recently, the Lord touched the heart of Andrey P., and he repented. This is not his first time in the Pirkko Home program, but God loves to have mercy on the sinner. Previously, he thought that his problems were only his addictions, and that such sins as envy, pride, ridicule of others, rudeness, hatred, and anger didn’t matter. This time he came to the center full of anger, and tried to leave several times, but God kept him here and gave him strength to overcome his temptations. As he began to read the Bible, God revealed to Andrey that he was blind and did not see the depravity of his own heart. A deep sense of guilt came as he saw his need of God. Praise the Lord!

**The Gospel Behind Barbed Wire Magazine Ministry**

*Eduard Zavedeyev:* Our December issue of the magazine had the theme “He Came for You.” We are now working on the next issue (for February) with the theme “Change.” Please pray for wisdom as we work to prepare content for our magazines, and for all the readers of the magazines, many of whom we correspond with personally.

“I received from you my favorite magazine with a DVD of RCR’s programs. Thank you. You offer new life to people like me, and God does it all. I came to Christ in 2019, thanks to your magazine.” - Nikolay M. (prisoner in Karaganda, Kazakhstan)

“I was very glad to receive a letter from you. I don’t feel alone anymore! I thank God for you, and that you find time for me and answer my letters. It is worth a lot and in these times it is already a rarity. I look forward to your letters. You are already like family to me!” Igor R. (prisoner in the Kirov region, Russia)

**Prayer Requests and other needs:**

- Please continue to pray for the sale of the main house in Nikulino (the former Nikulino Pirkko Home). We are working on the paperwork with a buyer, pray that all will go smoothly and the sale will be completed soon.
- The RCR studio needs HDDs and SSDs (hard drives) for video editing;
- Pray about monthly support needed for new studio employees Nikita Vorotilov and Vladimir Gorlan;
- Thank you for donations for bedding for the centers in Dyatkovo, Orel and Solnechnogorsk!
