

The Gospel Behind Barbed Wire (GBBW) Magazine Ministry

Eduard Zavedeyev (pictured printing address labels for regular recipients of the magazine): “In August, the 4th issue for this year of the ‘GBBW’ magazine (with the topic: “Faithfulness”) was published in black and white due to financial difficulties (with a color cover). We will do the same for the 5th and 6th issues. We pray and hope to return to color in 2023, but it depends on donations

and the situation due to the war. Praise God for those who donate today! Unfortunately, some countries are closed to receiving mail from Russia, but our correspondence still reaches some countries such as the USA, Latvia, Estonia, Belarus, and Kazakhstan.”

“I have been receiving your magazine for several years now, I read it from cover to cover. After reading each article, I reflect on it. Alexander Gusev from Belarus came to visit us here with a concert, and his article was just in your magazine. Thankfully he was given a visa to enter Estonia with God's help.” Sergey A. (Tartu, Estonia)

RCR Recording Studio Ministry

Ayur Vanzhilov: During the summer of 2022, RCR Studio released 32 video programs, during which time there were 405,000 views, by 121,000 unique viewers who watched our videos for a total of about 78,000 hours. Also during this time, the sermons of Earl Poysti in Yandex.Zen were read more than 28,000 times.

And one more piece of news: this summer we launched the ability to listen to RCR programs in the Yandex.Music app, the most popular way to listen to audio in Russia (surpassing Apple Music). Some of Earl Poysti's sermons and “Choice” audio programs are already available on Yandex, and more will be downloaded.

Pirkko Home Liberation Center Ministry

Zheleznogorsk Pirkko Home, Aleksey Dudikin – There are 9 people in the recovery program here for those addicted to drugs and alcohol, and 2 assistant leaders, Alexander and Mikhail. In July, one of the assistants, Alexander, was baptized. Over the summer we were blessed with times of fellowship and edification with other Pirkko Homes and with the church in Kursk. Please pray for the leaders, for new people to come, for repentance for the residents in the program, and for the needed overhaul or replacement of the engine in our Nissan.

Prayer Requests & Thanksgiving:

- Praise God for his provision for the RCR ministries in Russia during this time, and allowing us to work together with another Christian organization in Russia, to fund our ministries.
- Pray for the future publications and the distribution of the magazine, which is very much awaited in prisons.
- Pray for the Ukrainian refugees and all the Christian groups helping them. Pray for an end to this war.
