

THANKFUL

In everything give thanks, for this is the will of God in Christ Jesus for you. 1 Thes. 5:18

Beloved brothers and sisters, today Russia is becoming a real spiritual "Frontline" - where the foundation of everyone's faith is being tested and clarified. We are saddened to hear about the closure of some Christian ministries, yet the need for ministers is growing even more acute. We thank God that the servants on our team at RCR remain true to God and continue to serve in His field.

It is the month of Thanksgiving, and we are especially grateful to God for His provision. He provided a way last month for the Moscow office to receive enough funds to cover the rest of the year's expenses! All the money our US office budgeted and planned to send to Moscow in 2022 has been "transferred"! This was possible because someone in the US sold their property in Russia, the rubles were given to the Moscow office, and the US office reimbursed him. So we are now able to finish this year "normally"! We thank the Lord for encouraging you to give, so this is even possible! We believe that God will not leave us unfunded next year, and we are trusting Him to again provide in amazing ways. We just need to be ready for when He brings another opportunity our way. After all, the Word of the Gospel cannot be silenced! Please pray for us. – *Alexander Zakharov, Executive Director in Moscow*

The Gospel Behind Barbed Wire (GBBW) Magazine Ministry

Eduard Zavedeyev: Thanks be to the Lord for sending funds for the publication and distribution of the magazine in this difficult year. We were forced to reduce the circulation of the magazine from 7,000 to 3,000 and to a black and white version. Many believers prayed for further publication of the magazine, and the Lord sent funds. The fifth issue for 2022, with the theme "Brother," has already been published with a circulation of 5000, and we plan to publish the sixth issue of the magazine in color again, with the theme "Glory of God vs. Man." The magazine is expected not only in prisons, but also in rehab centers, churches and in other countries, too. New requests are coming. Pray for us.

"Thank you for your letter, and for your kindness, care and attention. I received your magazine. I read it with great thirst and passed it on, because for us prisoners it is spiritual bread!" Ilya M. (Minsk region, Belarus)

RCR Recording Studio Ministry

Ayur Vanzhilov: Some members of our team at the RCR Studio are under the threat of being drafted into the army, but thank God, at the moment the immediate threat is over, and we all continue to work to reach the hearts of our compatriots in Russia with the Gospel. Pray for our brothers.

In October, we received a message from Krasnoyarsk that they agreed to show our "Choice" programs on disks in one of the prisons there. The head of the prison himself gave the go-ahead after a conversation with a believing sister, whose son is imprisoned there. Thank God, He miraculously sees that the light and testimonies of Jesus Christ will penetrate where they are so needed. Pray that the prisoners will turn to God, and also for the good disposition of the authorities.

To continue our work, we need to replace some broken studio equipment, so we are hoping you can help us (eventually, in the Lord's timing) with about \$800 for a new monitor, microphones, and a UPS for computers.

A recent comment from a viewer: "By listening to people's testimonies, I come out of depression, gaining faith again! Thankfully, my strong will and my motherly duty kept me afloat - and praying every night that God would help me. Through you, God gives me comfort and brings me back to Himself..."

Pirkko Home Liberation Center Ministry

Udomlya Pirkko Home, Igor & Marina Markov: Thank God, we managed to do a lot in the last 2 months:

- We were able to purchase and install a water purification system!
- We finished installing heating on the second floor.
- We converted a carport to a "closed-in" garage for 1 car, household supplies and tools.
- We changed/updated all the electrical wiring from the meter and around the house.
- We made a reinforced area and hung a second electric boiler for heating our small adjoining house.

Prayer Requests & Thanksgiving:

- Praise God for his provision for the RCR ministries in Russia during this difficult time.
- Praise Him that the ministries of RCR are still reaching Russian speakers for Christ.
- Pray for the Ukrainian refugees and all the Christian groups helping them. Pray for an end to this war.
