

**RCR Recording Studio Ministry**

Ayur Vanzhilov: This past August, we released 16 videos on our YouTube channel, including 13 testimonies! These videos have already received more than 530,000 views! Please pray for this huge Russian-speaking audience, that God will touch the hearts of all of them, especially unbelievers. Here are some comments. By the way, many comments come from atheists and Muslims:

- These words gave even me, an atheist, goosebumps!
- I don't go to church, I don't know who God is, but when I hear a mention of Him, a warmth spreads inside me and tears well up in my eyes.
- I am a Muslim, but I liked this testimony.
- How do you come to God and love him if you don't believe at all?

Program host Denis Gostev attended a conference in Veliky Novgorod on the history of Protestantism in Russia and reported on the ministry of Earl Poysti and RCR. We introduced the participants to our ministry, acquired new subscribers and friends, donated our GBBW magazines, and recorded 6 video stories for the "Life" program.

**The Gospel Behind Barbed Wire (GBBW) Magazine Ministry**

Eduard Zavedeyev: On September 21, the editorial board met to review our next magazine issue (No. 5, 2023) with the theme "Good." We ask you to pray that the magazine will be printed well and also pray for all our readers.

Some of our magazines are sent to churches and rehab centers, as well as to prisons. Here's what Dmitry S. (Krasnoyarsk region) just wrote: *"I recently came to God, and He freed me from drug addiction. I am currently undergoing rehab, and here at the center is where I first came across your magazine. There aren't many of them here. I've read them all several times already. Your magazine greatly strengthens me spiritually. I would like to get your magazine regularly. Please help me with this. I will be very grateful."*

Thank God for the opportunity to convey the Gospel through personal correspondence with convicts and send them our magazines and Bibles.

Our magazines are also regularly supplied to the largest libraries in Russia through the Book Chamber.

The Moscow office urgently needs support for the production and distribution of the magazine, which directly depends on donations. Printing, mailing and other expenses for each edition of the magazine add up to about \$2200 monthly. Please pray that we can find more ways to transfer funds to the Moscow office that comply with the sanctions against Russia, so we can meet this need!

**Pirkko Home Liberation Centers**

Dima Gusev: In our church in Solnechnogorsk is a mother who has served more than one prison term in the past, but God found her, and now she is a good sister in Christ (and a grandmother!). She has been praying for her three children for five years. Two of her three children (Yura, Zhenya and Vova) are addicts. Although we have never met them, we have been praying with her every Sunday (and every prayer time). And now we see God working! Yura came to our help center and he began his new path. Very encouraging! Praise the Lord!

Please pray for special wisdom in helping men who come to our Pirkko Home program after a relapse, especially those who had already become church members. Pray for their hearts and their faith.

**Praise and Prayer Requests**

- Pray for God's care and provision for the RCR ministries and for all our employees during this difficult time.
- Pray for an end to the war in Ukraine, and for the physical and spiritual needs of the refugees.
