Pirkko Home Liberation Center Ministry: The OreI Pirkko Home

Vlad Fadeyev, leader at OreI: Our center turns 15 this year. Right now there are 5 people in the center, 4 of them are in the program.

3 of them accepted Jesus Christ as their Savior in a prayer of repentance. Vladimir also lives in the center; he completed the program, was baptized and came back here, since there is nowhere else for him to live. He helps do housework, take care of the animals (goats, piglets, geese) and the garden. There is a small house (like a cabin) that we are trying to finish for those who have nowhere to go after completing the program.

The life of the center is based on spiritual development, every morning and evening we study the Bible, pray, and watch sermon videos. On Sundays we go to church in our older van that will seat 8. It requires maintenance.

A special blessing for me this year is marriage. The Lord recently blessed me with a wife; she's from Zheleznogorsk, is involved in Sunday school ministry, and she has a ten-year-old daughter. So I have God's blessings in full.

Unfortunately, there is no assistant in the center, so very often I have to travel from Zheleznogorsk to OreI. While our daughter is on vacation, we are living in a house that is under construction. Please pray for an assistant for the OreI Pirkko Home and more people for the program. Other needs: van repairs and renovation of our building.

RCR Studio Ministry

Ayur Vanzhilov: In May of this year we launched a program with a new format: "Aligning with the Truth," where we answer questions from viewers with the participation of guest pastors. In the first episodes we answered the questions: Why does God need people? Why do disappointments come? How to deal with fears?

And there are already several comments from viewers who have seen it. Here are a couple of them:

- It's hard for me to communicate with people, so your program helps me learn about the Lord. - Vyacheslav
- Praise God, your program is very inspiring, I'll look forward to the next one! - Valeria

Over the past 2 months, our channel (RCR-Videos) has added 10 million views and another 20,000 subscribers! Pray that our programs will make an impact on those who watch them, both for salvation and spiritual growth.

Here are some more comments from viewers about some of our other programs:

- Very relevant about the occult. Today it is common everywhere. I would really like to see more testimonies of people who came out of darkness. - Jose
- It was very important for me to hear this, thank you! I am also not a drug addict, and not a drunkard. I have an ordinary, fairly correct life. And I also thought "why doesn't God talk to me?" And He SPEAKS! Every day of my life, simply by blessing me with this life. Amen! - Natalia

The Gospel Behind Barbed Wire (GBBW) Magazine Ministry

Eduard Zavedeyev: Praise God! 2024 marks the 30th anniversary of the publication of the magazine *The Gospel Behind Barbed Wire*. Over these 30 years, the magazine has found its way into all the prisons and prison colonies in Russia. There are more than 1,400 regular recipients of our magazine, and among them are 522 prison ministers. New requests for magazine subscriptions are also constantly arriving.

Prisoners not only receive edification when reading the magazine, but also from us in personal correspondence. Every month we receive 80-100 letters in our Moscow office, and in response we send Christian literature, including Bibles, New Testaments, and sermons, while answering their many questions with handwritten letters.

At the end of April, RCR took part in a conference on evangelism in prisons held in the "Losinka" Church in Moscow. Most of the participants are familiar with the magazine, having been in prison, in rehabilitation centers, and now in ministry. Pray for a new generation to join the prison ministry.

Please pray for the prayer requests underlined above, and for the end of the war in Ukraine.

Praise God for his provision for the RCR ministries in Russia during this difficult time.
