### **Pirkko Home Centers (ministering to those with addictions)**

*Dima Gusev:* It is a joy to write about the events of the past month. Artur T. who completed the program back in 2023 and stayed on as an assistant at the Rumyantsevo Pirkko Home in the Moscow region, spent nearly three years journeying toward getting baptized. Throughout this time, he faithfully served those struggling with addictions. Praise God that in September Artur got baptized in "Truth" Church in Nakhbino, Moscow region. Please join us in praying for his ministry and that God might bless him with a godly wife.

Next let me tell you about our leadership retreat. Leaders of the Pirkko Homes—especially those who have served a long time in the ministry—usually go on vacation with their own families. This time we decided to take a trip within the Moscow region together: leaders and assistants. We rented a house for a couple of days, read God's Word, prayed, cooked meals, enjoyed the sauna, went for walks, and even played games. We were deeply struck by how shared fellowship breaks down barriers between long-time leaders and those who have only recently come to know the Lord and chose to serve Him. Together we work to "rescue those condemned to death"!

Our prayer requests: for the repentance of those struggling with addictions; for new people to join the program; and for the provision of necessary construction materials for the Pirkko Home in Berezhovo, Tula region.

### **RCR Studio Ministry**

*Ayur Vanzhilov:* We invite you to take a look at our new video celebrating the 80th anniversary of RCR. Use the link via the QR code and select audio track "English" to watch it in English! We'd also like you to see the "Path of Faith" project on our Telegram channel, where you can read the life story of Nikolay and Earl Poysti (only in Russian).

I am originally from Buryatia. My family and I recently visited my relatives there, and I filmed a testimony from my mentor for our RCR channel. "The Power of Prayer" tells the story of Georgy Fedorov—a father of 15 and the director of a Christian retreat center on the shores of Lake Baikal. I thank God that the video has already reached 40,000 views! May more people hear about the immense power of prayer, anywhere in the world! (On YouTube go to "RCR-Videos" to see any of our videos.)

We release new videos every week featuring guests who share their life stories. For instance, the testimony of Gleb Pivovarov will encourage you to overcome your fears. We invite you to watch! Every video is the result of hard work, prayer, and your support. Thanks!

### **The Gospel Behind Barbed Wire Prison Magazine Ministry**

*Eduard Zavedeyev:* We give thanks to the Lord and to everyone who prays for the publication and distribution of the magazine and provides financial support. The Lord is opening doors for the preaching of the Gospel in certain regions of Russia.

We regularly send magazines to Yevgeny Sunami, a prison minister who visits correctional facilities in the Irkutsk region (pictured on the far left outside the entrance to Prison IK-4), where inmates receive our magazines directly from him. Yevgeny reported: "We recently visited Pre-trial Correctional Centers No. 3 and

32 in the city of Tayshet. We preached, sang, and shared testimonies. We also distributed copies of your magazines. These magazines strengthen and build the inmates' faith. They read them with great enthusiasm and find testimonies from acquaintances and friends who have transformed lives through our Lord Jesus Christ."

Please pray for all the magazine's readers, and that the Lord would move the hearts of the authorities to grant permission for meetings with inmates to preach the Word of God.

Please pray for the requests highlighted above and an end to the war and suffering in Ukraine.

Praise God for His care and provision for the RCR ministry during these turbulent times.

Thank you for your prayers and donations!
